

# **The High Committee for The Management of epidemics and health pandemics**

## **No. 3 for 2022**

### **The High Committee for The Management of epidemics and health pandemics**

After reviewing the constitution:

- In regard of Law No. 152 of 2021 regarding procedures to combat epidemics and health pandemics.
- And Prime Minister's Decision No. 2400 of 2021 regarding the necessary measures to confront the Corona Virus pandemic.
- And the decision of the Supreme Committee for the Management of the Epidemic and Health Pandemic Crisis No. 1 of 2021.
- And the decision of the Supreme Committee for the Management of the Epidemic and Health Pandemic Crisis No. 2 of 2022.
- And after the approval of the Higher Committee for the Management of the Epidemiological and Health Pandemic Crisis.

#### **Decided:**

#### **(Article one)**

All restrictions imposed on the entry of Egyptians or foreigners to the Arab Republic of Egypt and contained in Article VII of the decision of the Supreme Committee for the Management of the Epidemic and Health Pandemic Crisis No. 1 of 2021 are cancelled.

#### **(Article two)**

Without prejudice to the provision of the previous article, the rest of the measures contained in the decision of the Supreme Committee for the Management of the Epidemic and Health Pandemic Crisis No. 1 of 2021 and 2 of 2022 shall continue, with all the measures contained in it and these two decisions subject to follow-up to assess the situation.

#### **(Article three)**

This decision shall be published in the Official Gazette and shall be effective from the day following the date of its publication.

Issued under the chairmanship of the Council of Ministers on 16 Dhu al-Qa'dah 1443 AH

(On 16<sup>th</sup> June 2022.)

Prime Minister

Chairman of the Supreme Committee

Doctor/ Mostafa Kamal Madboly
